

Heartburn? Please!  
Luke 24:13-35  
April 30, 2017

Introduction:

Jesus has risen; but what's actually changed?

I. We meet two disciples like us; uncertain and wondering what it all means.

Our hearts become weighed down and our focus drifts.

Luke 24:25 - ...*"Oh foolish ones and slow to believe..."*

II. What's changed? Not life and not the problems we face.

The problems never changed, but their perspective did.

Some of the greatest blessings in life come through our greatest struggles.

Life simply doesn't make sense without Jesus.
